GRAND COMMANDER'S THOUGHTS ON OFFICIAL VISITS TO DISTRICTS 2022-2023

ALL EVENTS ARE SUBJECT TO CHANGE AND ARE SUBJECT TO RESTRICTIONS ACCORDING TO COVID19 DECISIONS MADE BY MASONIC OR CIVIL AUTHORITIES.

Historically, the Grand Commander issues a dispensation for his official visit to each district. To prepare for this visit the District Deputy coordinates the logistics and assigns the Sir Knights to fill the positions and perform the ritual and tactics that are evaluated by the Grand Inspector General. A meal is prepared and served, Grand Officers and special guests are recognized, and a program for the ladies is presented while the Sir Knights retire to the asylum to conduct business. Grand Officers are then introduced.

The Grand Commandery has identified “membership” as our number one priority. We are working to aggressively implement our membership program and as such, every effort we make should focus on improving our membership.

This year, my official visits will take on a different approach. I will make two visits to each district. My first visit will be a “Family Day Picnic.” This picnic will be open to all Masons and non-Masons alike. We want to encourage and promote membership in the York Rite of Masonry, ultimately arriving and improving membership in the Commandery. The picnic will be held on a Saturday at noon, at a shelter or park within the district where family can have fun, enjoy a meal, play games and create a positive Masonic experience. It will be picnic casual attire, and each district commandery will be included and represented. Constituent Commandery elected officers are expected to attend, authorized excusals will be issued only by myself. Notification and promotion of this picnic should be made in lodges, chapters, in the community, invitations to non-masons who you would like to call a “brother,” and to Royal Arch masons you would like to call a “Sir Knight.” No official introductions will take place; however, we will open with a blessing for the food and the pledge of allegiance to our flag. Entertainment will be encouraged and sign in sheets to track our attendance and for follow up correspondence will be required. I will provide a “welcome” message.

My second visit to the district will be “official” as in myself and any other Grand Officer that can attend a joint district conclave at a constituent commandery of your choice, on the stated day and time as identified in their by-laws. The joint district conclave will be opened in full form and the Grand Inspector General, or his designee, will be present to evaluate the ritual and tactics performed by the Sir Knights in the district. I will address the Sir Knights in a “town hall” setting as I am more interested in the wants and needs of the constituent commanderies in the district than I am with introductions, however I will recognize Grand Officers in attendance. Each Constituent Commander will be expected to attend and provide a report on their commandery and what they need or want the Grand Commandery to provide.

You will have the full support of the Grand Line Officers, my Regional Aide-de-camp, and my Administrative Assistant to help plan and execute these visits. I want to thank you for your service to our Grand Commandery and I look forward to working with you during this Templar year.

Notes:

1. All visits shall begin with a meal. Requested mealtime one hour before the conclave.
2. If time permits and there are ladies in attendance, an activity or program for our Ladies during the District Templar Conclave may be presented.
3. The Templar Conclave shall be opened in Full Form and Rehearsal of Duties.
4. The ritual for the District Reception of the REGC shall be used as in the Grand Commandery *Manual of Tactics and Asylum Ceremonies*.
5. No Commandery ceremony shall be undertaken without adequate rehearsals. The floor works and tactics associated with Templar ceremonies, including Official District Receptions of the REGC, are of enough complexity and importance to require a rehearsal even when all members of the cast are well versed in the ritual.
